Dear Jeanne,

I want to sincerely thank you for all your creative input and professionalism in staging my listing at Third Creek #118. It went into escrow just three weeks after your staging and I know that was a key factor in selling it so quickly!

That was the third property you have staged for me, and each one has looked terrific. I really appreciate your professionalism and you are always a pleasure to work with. I feel your service is an important part of my marketing efforts for my clients and I look forward to working with you on my next listing.

Best regards,

Peg Augustus
